Examples of Successful Collaborations

- Home Care Agencies/LTC Facilities/Medical Community order and pay for PPE from various sources
 including medical supply companies, other businesses, as well as receiving PPE during COVID-19 from the
 AAAs, Behavioral Health organizations, and County Public Health Departments.
- **Churches and others** made cloth masks and donate to those in need including home care providers and human service agencies.
- Local Police Precincts provide face masks
- The U.S. Department of Health and Human Services and FEMA are offering cloth face masks at no cost to community-based organizations (June 2020)
- Community Mental Health for Central Michigan partnered with Central Michigan University School of Medicine to provide N95 masks to the Midland area (One home care provider received 400 masks.)
- Chinese Faculty Association at Michigan State University donated 600 KN95 masks for the aging network
- Futures Foundation donated funds for PPE
- Ralph C. Wilson, Jr. Foundation donated funds for PPE
